Rewa Clark Bush

rewa.bush@yale.edu
rewaclarkbush.github.io

Education

Expected 2030	**PhD**	**Astronomy,** Yale University, New Haven, CT
2022–2024	**MA**	**Astronomy**, Wesleyan University, Middletown, CT Concentration: Planetary Science Thesis: *"Shadows on the Sky: Mapping New Horizons' Vision of the Local Interstellar Cloudscape"*
2019–2022	**AS**	**Physics** *(with High Honors),* Cabrillo College, Aptos, CA
	AS	**Astronomy** *(with High Honors),* Cabrillo College, Aptos, CA
	AS	**Mathematics** *(with High Honors),* Cabrillo College, Aptos, CA
2012–2016	**BA**	**English** *(with Phi Beta Kappa Honors)*, Oberlin College, Oberlin, OH Minor: Environmental Studies Capstone: Postcolonial Anglophone Literatures

Research Experience

2025–Present	**Graduate Researcher,** Astronomy Department, Yale University Advisor: Malena Rice
2025	**OSTEM Research Intern,** Planetary Science Division, NASA Ames Research Center Advisor: Natasha Batalha
2023–2024	**Graduate Researcher,** Astronomy Department, Wesleyan University Advisor: Seth Redfield
2021–2022	**Post-bacc Research Fellow,** Lamat Institute for Computational Astrophysics, UC Santa Cruz Advisor: Enrico Ramirez-Ruiz

Publications

R. C. Bush, S. C. Wu, R. W. Everson, R. Yarza, et al. "Black Hole Survival Guide: Searching for Stars in the Galactic Center that Endure Partial Tidal Disruption". (2025) *ApJL* 990, L7.

Awards & Honors

2024	Challenge Coin, Office of the Superintendent, Joshua Tree National Park
2023	Chambliss Astronomy Achievement Honorable Mention, American Astronomical Society (AAS)
2022	Departmental Honors in Physics, Cabrillo College
2022	Departmental Honors in Astronomy, Cabrillo College
2022	Departmental Honors in Mathematics, Cabrillo College
2022	First Place Award, Engineering Competition, NASA Community College Aerospace Scholars (NCAS)
2021	Student Presentation Award, Society for the Adv. of Chicanos/Hispanics and Native Americans in Science
2021	PEACE Award, Office of the President, Cabrillo College
2020	National Writer's Prize, W. W. Norton & Company Inc.
2016	Phi Beta Kappa Honor Society
2012	National Merit Scholar Finalist

Grants & Scholarships

2025–2028	Dean's Emerging Scholar Fellowship, Graduate School of Arts and Sciences, Yale University
2023	Travel Grant, NASA Connecticut Space Grant Consortium
2023	Travel Grant, American Astronomical Society (AAS)
2023	Travel Grant, Graduate Student Association, Wesleyan University

2021–2022 Lamat Research Fellowship, Lamat Institute for Computational Astrophysics, UC Santa Cruz

2021 Wanda Garner Non-Endowed Scholarship, Mathematics Department, Cabrillo College

2020 Ted Bowen Memorial Endowed Scholarship, Physics Department, Cabrillo College

2015 President's Public Service Fellowship, Oberlin College

2012–2016 John F. Oberlin Scholarship, Oberlin College

PRESENTATIONS

Invited Talks

2024 45th Scientific Assembly of the Committee on Space Research (COSPAR), Busan, South Korea

2021 Latinx United at Cabrillo for Engineering and Science, Cabrillo College

Contributed Talks

2026 Professional Seminar, Yale University

2025 246th Meeting of the American Astronomical Society (AAS), Anchorage, AK

2024 Astronomy Department Research Seminar, Wesleyan University

2024 New Horizons Science Team Meeting #55, Boston University

2023 Astronomy Department Research Seminar, Wesleyan University

2022 Lamat Astrophysics Research Symposium, UC Santa Cruz

2021 Lamat Astrophysics Research Symposium, UC Santa Cruz

Posters

2024 243rd Meeting of the American Astronomical Society (AAS), New Orleans, LA

2023 241st Meeting of the American Astronomical Society (AAS), Seattle, OR

2022 Conference for Undergraduate Women in Physics *(remote)*

2021 Annual Conference, Society for the Adv. of Chicanos/Hispanics and Native Americans in Science *(remote)*

TEACHING & OUTREACH

Public Outreach

2024 Astronomy Intern, Scientists-in-Parks, Joshua Tree National Park, CA

2024 Slugs & Steins Lecture, UC Santa Cruz

2024 Co-Founder, Dark Sky Advocacy Group, Wesleyan University

2023 Community Engagement Volunteer, AAS Comm. for the Protection of Astronomy and the Space Env.

2023 Star-gay-zing Founder & Organizer, Van Vleck Observatory, Wesleyan University

2023 Science Saturday, Wesleyan University

2022–2024 Telescope & Planetarium Operator & Presenter, Van Vleck Observatory, Wesleyan University

2021–2022 Events Coordinator, Women in Science and Engineering Club, Cabrillo College

2021 STEM Colloquium Organizer & Moderator, Picture a Scientist, Cabrillo College

2020 Bulletins From the Basin *(28,000+ views),* Big Basin Redwoods State Park, CA

2019–2021 Senior Park Aide, Interpretation Division, California State Parks

2015 Youth Coordinator, Children & Teen Services, Oberlin Public Library, Oberlin, OH

Teaching

2025–Present Graduate Teaching Fellow, Astronomy Department, Yale University
ASTR 1550 (x2), ASTR 4000

2025–2026 Summer Instructor, Lamat Institute for Computational Astrophysics, UC Santa Cruz

2022–2024 Graduate Teaching Assistant, Astronomy Department, Wesleyan University
ASTR 105 (x2), ASTR 155, ASTR 211

2019–2020 Math & English Tutor, Learning HUB, Cabrillo College

Media & Press

2025 AAS NOVA, *"Scars from a Black Hole"*, B. Cassesse, 2025.

2025 Live Science, *"Stars that brush past black holes live longer, stranger lives"*, A. Mukhopadhyay, 2025.

2025 StarXiv, *"Mixing dark matter, surviving black holes, and hunting for planets"*, M. Collins & P. Das, 2025.

2024 UC Santa Cruz, *"Lamat Institute: Re-Imagining Leadership and Mentorship in Astronomy"*, **R. C. Bush**, 2024.

2023 Wesleyan University, *"Van Vleck Observatory Opens its Doors for Community Outreach"*, Erin Readling, 2023.

2021 Lamat Institute, *"Lamat Fellow Rewa Clark Bush Receives Presentation Award"*, D. Tanguay, 2021.

2020 W. W. Norton & Company Inc., *"Norton Writer's Prize: A Loss Beyond Words"*, **R. C. Bush**, 2020.

2020 The Washington Post, *"Big Basin Was Home to California's First Female Park Ranger"*, L. Felton, 2020.

2015 Oberlin College, *"President's Public Service Fellows Present Summer Successes"*, L. Gulasy, 2015.
